

This is the fourth of six events in the full series for Dunamis. Each event is self-contained and very practically based, though maximum benefit obviously comes through taking part in the six. Leadership for each series is drawn from those who have previously participated in the project, for Dunamis continually raises up anointed, experienced spiritual leadership and is not dependent on a small number of 'experts' or celebrities.

Dunamis leadership teams hold themselves accountable to the participants at every event. There is honesty and vulnerability about personal 'success' and 'failures', a genuine desire that no-one be guilty of 'manipulation', and they cultivate mature discernment towards spiritual activity, rather than naive credulity or scepticism.

The full series of Dunamis events covers:-

1. Gateways to Empowered Ministry
2. In the Spirit's Power (spiritual gifts)
3. The Power of Prayer
4. Jesus' Healing Ministry
5. Spiritual Warfare
6. Listening Evangelism

"In nearly twenty years of full time ministry I have not learnt so much in so short a space of time. Indeed, I only wish I had been taught this stuff at college. Here was teaching which has powerful applications in the day to day life of the believer and the church."
John Hardaker: Hemel Hempstead

Dunamis is run under the auspices of the Dunamis Fellowship, a ministry of PRMI (Presbyterian Reformed Ministries International), and in partnership with GEAR

Spiritual Warfare & Kingdom Advancement

Jesus came to liberate captives and to establish the Kingdom of God, bringing him into direct conflict with the forces of evil that opposed and resisted his work and message. The Bible repeatedly tells of how he set people free from the oppression of evil spirits.

"It has cleared so much muddle and confusion away and left me feeling excited."
Jenny Stacey: Wrington

Jesus intends his church to be a context where people continue to be liberated, and this Dunamis event helps equip us to be part of his deliverance ministry. Learning from Jesus' own example, we will look at how Christians today can cooperate with the Holy Spirit in bringing spiritual healing and advance God's reign on earth.

"...a time of great peace and quiet joy in which I witnessed God at work in the power of the Holy Spirit in the lives of those around me, and also in me myself."
Ed Rawlins: Northampton

Through a combination of Biblical teaching, practical experience and thoughtful reflection, we look forward to seeing people set free and seeing people called and anointed by God to be part of His liberating, advancing work.

"To say that I am greatly impressed with the Dunamis course would be an understatement. I long to see my own church (and others) taking its teachings and practices on board."
David Worley: Perton

"Dunamis" is the Greek word for "power", and the purpose of the **Dunamis Project** is to help people to experience in their own lives the reality of the promises that Jesus made to His disciples:

"You are witnesses of these things. And behold, I send the promise of my Father upon you; but stay in the city until you are clothed with power from on high."
 (Luke 24:48-49)

"You will receive power when the Holy Spirit comes on you."
 (Acts 1:8)

A comprehensive Dunamis manual is provided for the event. This includes expanded outlines of the teaching sessions, and is a useful resource for further personal study and for equipping others for ministry in the local church.

"Whatever role you have... or don't have... in your local church, Dunamis has a proven track record for helping you grow and giving fresh opportunities for the Spirit to work in your life."
Paul Stokes: Plymouth

"Through the worship and teaching I learned so much. My relationship with and understanding of God grew and deepened, and Jesus entered and healed a situation I'd been carrying all my life."
Elizabeth Thomson: Northampton
